The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-527-0320. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-800-527-0320 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$400/individual, \$800/family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Prescription drugs</u> , in- <u>network</u> <u>preventive care</u> , dental services and vision services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	Yes. \$50/individual, \$100/family per calendar year for dental services. \$200 for out-of-network hospital charges per person per admission. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical <u>plan network providers</u> : \$4,400/individual, \$8,800/family per calendar year. <u>Prescription drugs (innetwork</u>): \$2,200/ individual, \$4,400/family per calendar year. <u>Outof-network providers</u> : no <u>out-of-pocket limit</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, non-Essential Health Benefits, out-of-network coinsurance, penalties for failure to obtain preauthorization, dental services, vision services, out-of-network hospital coinsurance, COB amounts, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.bcbsil.com</u> for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan pays (balance billing</u>). Be aware your <u>network provider might use an out-of-network provider for some services (such as lab work). Check with your <u>provider before you get services.</u></u>
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
